## CREATING AND MAINTAINING SAFE ENVIRONMENTS GUIDANCE FOR INDICATOR 1.5

### 1.5A Template 1: Form for Use of Church Property by External Groups

As \_\_\_\_\_ (insert name of Church body), we welcome other organisations/groups/individuals within the community using our facilities. While using the diocesan/order's facilities, we want to be assured that all reasonable steps have been taken to safeguard children<sup>1</sup> and young people. The responsibility for complying with good safeguarding practice (including safe recruitment and vetting) rests with the group using Church property and not with the Church body.

The \_\_\_\_\_ (insert name of Church body) has its own policies and procedures in relation to safeguarding children. Any group operating under the name/auspice of the Church body will comply with these requirements.

As an outside body, the Church body requires detailed information in respect of your application to ensure that the safety and well-being of the children, young people and adults that work with them are maintained at all times.

Conditions of use of Church property by outside bodies:

It is the responsibility of any group using Church property to run activities involving children to ensure that they comply with all applicable child safeguarding and protection legislation and guidelines.

The group should have their own child safeguarding policy and procedures. The group is also responsible for liaising with Tusla/HSCT to ensure that the policy and procedures meet the statutory requirements. The Church body cannot assist any outside group in developing a child safeguarding policy.

The Church body should obtain confirmation in writing from the group that they have a child safeguarding policy and appropriate insurance.

We would ask that you complete the following questionnaire. If any response is not applicable (N/A), please provide details of why this does not apply to your organisation.

If you feel your application requires further information, please attach on an additional page. Please indicate when additional information is provided in support of your application.
