Achill House of Prayer

Archbishop Francis Duffy, Archbishop of Tuam, endorses the statements issued some years ago by the Archdiocese of Tuam in relation to the House of Prayer, located at Achill.

In summary, the position is that the 'House of Prayer' has no Church approval and the work does not enjoy the confidence of the diocesan authorities.

Below, please find three statements issued in 1997, 1998 and 2008, by the Archdiocese of Tuam in relation to the House of Prayer, located at Achill.
